

Public Safety Institute

Emergency Medical Technician (EMT)

The Emergency Medical Technician (EMT) course prepares students with knowledge and skills to provide basic level emergency care in a pre-hospital setting. This course is aligned with the National Education Standards for EMT as approved by the PA DOH (Pennsylvania Department of Health).

Students will learn:

Emergency care for cardiac arrest
Trauma emergencies
Oxygen administration
Pharmacology for emergency care

Medical emergencies
Patient assessment techniques
Medication administration
EMS Operations

Pediatric Emergencies
Geriatric Emergencies
Medical Terminology

Class Requirements:
